3. The allegation as per FIR is that there was adulteration of the milk by addition of Nirma Powder and other detergents. In so far as the present Applicant is concerned, he is only the driver on the vehicle in which the milk was being transported. It appears that there was a transport contract between the employer of the present Applicant and the company for transport of the milk.

4. Learned Counsel for the Applicant submitted that the Applicant is not even an employee of the main Accused who are alleged to have committed adulteration of the milk.

5. Learned APP, in all fairness, did not dispute that the only role of the Applicant is that he was a driver on the vehicle and in spite of knowledge, he did not report the matter of adulteration to the authorities. In other words, there is no allegation that the Applicant was actively involved in the adulteration of the milk. The record discloses that there is interim protection operating in favour of the Applicant since 29 October 2021.

6. In such circumstances, the following order is passed.
ORDER

(i) In the event of his arrest in connection with investigation of Crime No.557/2021 of Police Station Baramati, Pune Rural, the Applicant be released on Mamta Kale page 2 of 3 20-aba-2622-2021 bail on executing a P.R.
